BIOGRPAHY

CARLARITA WAS CONCEIVED AND HENCE a Glorious and wondrous Beautiful Girl Born into the world. at the tender age of a couple of days she managed to sacked her finger. Within that time it lasted until her Graduation of Her Nursery as a young toddler she attended a Muslim nursey on cedar Avenue until then she transferred to St. Johns Pre-School and then Prospect primary until she graduated to her senior level school Berkley High. Her first ever Job of employment was located at the Bank of Bermuda as a teller also attended Bermuda College to study Business Administration for at least 2 years until she decided to become a Lawyer. Until she decided to become a Barrister Carlarita made up her mind to actually to do something she actually achieved it without any hesitation or thought. She was very much determined to achieve this goal and there was nothing going to stop her.

Another key mention she wanted to travel to the UK and did just that with her children and decided to travel to the Mother land. Worked at Sargasso, Pasta Pasta Basta Conyers Dill & Pearman just to name a few within 4 years' time after this time she decided to go back to UK and to submit her children in Schooling in the UK. Imani & Amara would come home every summer tp spend time with her Grandma to have that quality family time.
