Obituary

CarlaRita Marie Tucker

March 1, 1985 - August 6, 2024

CarlaRita was born on March 1, 1985 to her parents Carla Levon nee Tucker and David Saltus. When she was just a couple of days old, she managed to suck her thumb. This lasted until she graduated from the Berkeley Institute. This was a sight to see.

CarlaRita's schooling started at the Muslim Nursery on Cedar Avenue. From there she transferred to St. John's Pre-school, to Prospect Primary and then to The Berkeley Institute where she graduated. Carla was an excellent student from the very beginning. Funny story, when her mom went to pick her up from Nursery School CarlaRita was no where to be found. All the other students where outside playing and the teachers thought someone else had picked up her. Carla knowing her daughter was a bookworm headed to the library and finally found CarlaRita sitting in a corner reading books.

CarlaRita's employment years started at the Bank of Bermuda as a teller she was also attending Bermuda College studying Business Administration. This lasted about 2 years. CarlaRita Married Wayne Burgess and from that union had two beautiful daughters Imani-Marie and Amari. She was a devoted mom and participated in various activities with her daughters. They enjoyed their time together with the PHC Majorettes and Netball.

Once Carlarita made up her mind to do something she would achieve it without hesitation our doubt. CarlaRita decided to become a lawyer and off she went to the UK with her girls by her side. She graduated as a paralegal lawyer. CarlaRita was a hard worker and when she returned to Bermuda she hit the ground running, working at Sargasso, Past Basta and Conyers Dill & Pearman just to name a few. Within 4 years time she decided to relocate to the UK and enrolled her daughters in School along with the support of her loving partner Jamel Hayward. The girls would travel back to Bermuda every summer to spend time with their family.

CarlaRita was a very private person and only told her mom and dad of her sickness. She kept in touch with her mom every Friday calling her with an update until her untimely passing. CarlaRita was loved by many and will truly be missed.

CarlaRita is survived by **daughters**, Imani-Marie and Amari Burgess; **parents**, Carla Levon and David Saltus. **Siblings**, Monikah Levon, Maalikah Levon; Jamel Minors, Dashaé Simons, Dashun and Hassan Somner, David and Kamora Saltus.
